

HEATED MOMENT BETWEEN TRUMP AND ZELENSKY

*We
develop a passion
for Teaching!*

The United States of America
and for the
Good of the world I'm aligned
with the
World and I want to get this
thing over
With you see the hatred he's
got for
Putin that's very tough for me
to make a
Deal with that kind of hat he's
got
Tremendous hatred and I
understand that
But I can tell you the other
side isn't
Exactly in love with you
know him either

Uh so it's not a question of
alignment I
Have to I'm aligned with the
world I
Want to get the things set i'm
aligned
With
Europe I want to see if we can
get this
Thing done you want me to
be tough I
Could be tougher than any
human being
You've ever seen I'd be so
tough but
You're never going to get a
deal that
Way so that's the way it goes

all one
More
Questiony I would to respond
to this so
Look for four years in the
United States
Of America we had a
president who stood
Up at press conferences and
talked tough
About Vladimir Putin and
then Putin
Invaded Ukraine and
destroyed a
Significant chunk of the
country the
Path to peace and the path to
prosperity

Is maybe engaging in
diplomacy we tried
The pathway of Joe Biden of
thumping our
Chest and pretending that the
president
Of the United States's words
mattered
More than the president of the
United
States's actions what makes
America a
Good country is America
engaging in
Diplomacy that's what
president Trump is
Doing can I ask you sure yeah
yeah okay

So he occupied it uh our parts
big parts

Of Ukraine part part of East
and Crimea

Uh so he occupied it on
2014

So during a lot of years I'm
not

Speaking about just Biden but
those time

Was Obama then President
Obama then

President Trump then

President Biden now

President Trump and God
bless now

President Trump will stop
him but during

2014 nobody stopped him he
just occupied
And took he killed people you
know what
The contact are
2014 2014 and 2015 so I was
not here
Yeah that's exactly right yes
but during
2014 till
2022 yeah the what the
situation the
Same that people are been
dying on the
Contact line nobody stopped
him you know
That we had conversations
with him a lot

Of conversation my bilateral
Conversation and we signed
with him me
Like a new president in 2019
I signed
With him the deal I signed
with him
Macron and Merkel we sign
ceasefire
Ceasefire all of them told me
that he
Will never go we signed him
guas
Contract guas contract yes but
after
That he broken this his fire he
killed
Our people and he didn't

exchange
Prisoners we signed the
exchange of
Prisoners but he didn't do it
what kind
Of diplomacy JD you ask
speak about what
What do you what do you
what do you mean
I'm talking about the kind of
diplomacy
That's going to end the
destruction of
Your country yes but Mr
President Mr
President with respect I think
it's
Disrespectful for you to come

into the
Oval Office and try to litigate
this in
Front of the American Media
right now
You guys are going around
and forcing
Conscripts to the front lines
because
You have Manpower
problems you should be
Thanking the president for
trying to
Bring an end to this conflict
to Ukraine
That you say what problems
we have I
Have been to come i've

actually i've
Actually watched and seen
the stories
And I know what happens is
you bring
People you bring them on a
propaganda
Tour Mr President are do you
disagree
That you've had problems
bringing people
Into your military and do you
think that
It's respectful to come to the
Oval
Office of the United States of
America
And attack the administration

that is
Trying to trying to prevent the
Destruction of your country a
lot of a
Lot of questions let's start
from the
Beginning first of all during
the war
Everybody has problems even
you but you
Have nice ocean and don't
feel now but
You will feel it in the future
God bless
God bless God bless you will
not have
War don't tell us what we're
going to

Feel we're trying to solve a
problem

Don't tell us what we're going
to feel

I'm not telling you because
you're in no

Position to dictate that you're
in no

Position to dictate what we're
going to

Feel we're going to feel very
good feel

Influ we're going to feel very
good and

Very strong you will feel
influenced

You're right now not in a very
good

Position you've allowed
yourself to be
In a very bad position and he
happens to
Be right about from the very
beginning
Of the world you're not in a
good
Position you don't have the
cards right
Now with us you start having
cards right
Now you don't you're playing
card you're
Playing you're gambling with
the lives
Of millions of people you're
gambling

With World War I you're
gambling with
World War II and what you're
doing is
Very dis disrespectful to the
country
This country that's back to
you
Far more than a lot of people
said they
Should have have you said
thank you once
This entire meeting no in this
entire
Meeting have you said Thank
you today
You went to Pennsylvania
and campaign

For the opposition in October
offer some
Words of appreciation for the
United
States of America and the
president
Who's trying to save your
Country please you think that
if you
Will speak very loudly about
the war you
He's not speaking loudly he's
not
Speaking loudly your country
is in big
Trouble can wait a minute no
no you've
done a lot of talking your

country is in
big trouble I know you're not
winning
you're not winning this I you
have a
damn good chance of coming
out okay
because of us Mr President
we are
staying in our country staying
strong
from the very beginning of
the war we've
been alone and we are
thankful I said
thanks this
cabinet we gave you through
this stupid

president \$350 billion we
gave you
military equipment and you
men are brave
but they had to use our milit
if you didn't have our military
equipment if you didn't have
our
military equipment this war
would have
been over in two weeks in
three days I
heard it from Putin in three
days this
is something may in two
weeks of course
yes it's going to be a very
hard thing

to do business like this just
say thank
you a lot of except except
american except
that there are disagreements
and let's
go litigate those
disagreements rather
than trying to fight it out in
the
American Media when you're
wrong we know
that you're wrong but you see
I think
it's good for the American
people to see
what's going on understand I
think it's

very important that's why I
kept this
going so
long you have to be thankful
you don't
have the cards you're buried
there your
people are dying tell you're
running low
on soldiers listen you're
running low on
soldiers it would be a damn
good thing
and then you then you tell us I
don't
want to cease fire I don't want
to cease
fire I want to go and I want to

this I
look if you could get a
ceasefire right
now I tell you you take it so
the
bullets stop Flying and you
meant stop
getting killed of course we
want to stop
the war but I you're saying
you don't
want to CE I said to you I
want a ceas
guarantees because you'll get
a
ceasefire faster than I degree
ask our
people about ceasefire what

they think
that wasn't with me that
wasn't with me
that was with a a guy named
Biden who
was not a smart person that
was that was
with Obama it was your pres
excuse me
that was with Obama who
gave you sheets
and I gave you javelins yes I
gave you
the javelins to take out all
those tanks
Obama gave you sheets in
fact the
statement is Obama gave

sheets and Trump
gave
javelins you got to be more
thankful
because let me tell you you
don't have
the cards with us you have the
cards but
without us you don't have any
cards one
more question to Mr Vice
President I'm
sorry going to be a tough deal
to make
um because the attitudes have
to change
what if Russia breaks fire
what did

Russia bre Poli talks what do
you do
then I understand that it's a he
conversation right what do
you saying
she's asking what if Russia
breaks the
ceasefire what if they what if
anything
what if a bomb drops on your
head right
now okay why did they broke
it I don't
know they broke it with
Biden because
Biden they didn't respect him
they
didn't respect Obama they

respect
me let me tell you Putin went
through a
hell of a lot with me he went
through a
phony Witch Hunt where they
used him and
Russia Russia Russia Russia
you ever
hear of that deal that was a
phony that
was a phony Hunter Biden
Joe Biden scam
Hillary Clinton Shifty Adam
shiff it was
a Democrat scam and he had
to go through
that and he did go through it

we didn't
end up in a war and he went
through it
he was accused of all that
stuff he had
nothing to do with it it came
out of
Hunter Biden's bathroom it
came out of
Hunter Biden's bedroom
it was disgusting and then
they said oh
oh the laptop from hell was
made by
Russia the 51 agents the
whole thing was
a scam and he had to put up
with that he

was being accused of all that
stuff all
I can say is this he might have
broken
deals with Obama and Bush
and he might
have broken them with Biden
he did maybe
maybe he didn't I don't know
what
happened but he didn't break
him with me
he wants to make a deal I
don't know if
you can make a deal
the problem is I've
empowered you to be
a tough guy and I don't think

you'd be a
tough guy without the United
States and
your people are very brave
but you're
either going to make a deal or
we're out
and if we're out you'll fight it
out I
don't think it's going to be
pretty but
you'll fight it out but you
don't have
the cards but once we sign
that deal
you're in a much better
position but
you're not acting at all

thankful and
that's not a nice thing I'll be
honest
that's not a nice thing all right
uh I
think we've seen enough what
do you
think huh this is this is going
to be
great television I will
say we'll see what we can do
about guys come on let.
